

Longbeach Place

1. Change logo – redesign logo (not our job)

General design

2. Mural don't need
7. layout consistence,
16. orange text client don't like, prefer darker colour (?), want pink colour
17. the contact us session change to blue background
9. group and courses layout ok

客户不要壁画，颜色需要再调（亮的颜色不过也要提出喜欢暗色和粉色）

Login Portal

19. login portal – change colour
20. members login --- staff/tutor login

Sliding animation (images)

3. Sliding animation – automatic, when put cursor sliding animation stop (已经有方案解决了), don't need slogan

23. sliding window something like gealc. 1 text box and 1 image box . both boxes slide animation

自动滑动的字和图

Sponsors

12. sponsors ---> supported by , logo smaller

Logo 小一点

Contact Us

21. admin login at very bottom
22. Instagram wrong – longbeach place chealsea
24. contact us -> subscribe
25. very bottom map, admin login, address info

Feature

4. if client want to change, ex: new course come up, just picture upload

5. admin page: change text, layout, do everything,

- tool bar:

- just like wix

- preview, publish

- undo button. 实现 yes

- history recover no need

8. move image from 1 column to another column. Yes

Database

10. 1 admin type is fine

11. member 1 type no upgrade

只有 3 个 admin, 不需要分等级

13. rename the 3 images

Activities --- longbeachnews --- events

When click it link to the page

改名字和增加 link 功能

Reference website

14. cockatoo community house

15. "sign up to newsletters" same or better than cockatoo community

18. server – client have no idea about the server
